09 February 2021

Dear Simona,

Further to your submission of 'NaviGate v1.2.x.x' for the purpose of Paper Chart and Nautical Publication updating for assessment prior to introduction into service we are pleased to confirm the following:

I am pleased to inform you that, following the successful evaluation of 'NaviGate v1.2.x.x' as supplied by ADMIRALTY Approved Value Added Reseller, C.A.I.M we accept that the service meets the success criteria as defined by the UKHO.

Therefore the "NaviGate v1.2.x.x" service is designated as compliant for the use of ADMIRALTY Notices to Mariners, Blocks and Tracings, in a digital form, for the management and correction of ADMIRALTY Paper Charts and Nautical Publications only.

This agreement is relevant to the 'NaviGate v1.2.x.x' service as at 09 February 2021

Any later modifications to the software or service will also have to fully comply with the criteria for use as defined by the UKHO, otherwise the compliance status will be rescinded.

The UKHO reserves the right to monitor quality of service and rescind the agreement should the service be identified as failing to comply with the terms of the licence HO 1876/131115/06

Will you please sign below as acknowledgement as above and return the signed copy to the UKHO.

Yours Sincerely

James Holder  
Technical Product Manager

Simona Risso .....  
C.A.I.M
